Expandet Decking Screws in A4 Inox (316)

Expandet Decking Screws are produced in stainless steel A4 (316) and waxed. Useable in aggressive environments and coastal areas with high concentrations of salt. Can be used in all types of wood.

ADVANTAGES

- All-round decking screw with milling ribs and fibercut.
- Small countersunk head.
- Coarse thread for faster finish.

ADVANTAGES

- Specially developed 5,5 mm decking screw for fixing of decks i tropical hardwood.
- Cylinder head ensures clean countersinking.
- Reinforced double thread and enlarged core diameter ensures a safe connection between then deck and substructure.
